

FOOD IS NOT TRASH!

This store donates all excess non-perishable food fit for human consumption.

NON-PERISHABLE FOOD DONATION GUIDELINES

YES

SEPARATE AND REFRIGERATE!

- Keep donation items separate from returns, incoming deliveries and damaged items.
- To extend the life of fresh produce and other perishables, place in refrigerator under "Place Donations Here" sign for food pantry pick-up.

NO MOLDY, ROTTEN OR CONTAMINATED FOODS

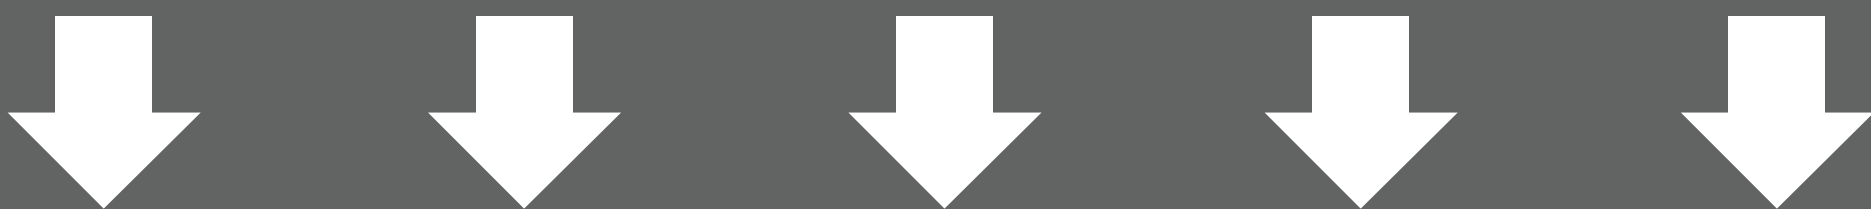

Moldy produce sold in bulk can be removed and recycled in the green compost bin instead of donating.

For more information, check the Training Manual.

THANK YOU for making a difference in your community by correctly separating, storing and donating all edible food that would otherwise be disposed!
