### **Explore our City's 36 Parks this Spring**

One of the many reasons people choose to put down roots in Santa Clarita, is our expansive park system. You would be hard pressed to go more than a few blocks without running into one of our 36 beautiful parks.

In addition to looking for opportunities to add parks, it is also a City priority to enhance existing parks. This can be seen in the new inclusive play area at West Creek Park featured on the cover of

this Seasons magazine. Following the ground-breaking last August, the playground area has been completely revamped with play equipment suitable for people of all abilities. Learn more about the new play area on pages 6-7.

The crown jewel of our park system, Central Park, is currently under construction on the southern side of the site. This buildout project is bringing four new fields, with more restrooms, parking and enhancements to our dog park. For parents looking to get in a workout while their children are at sports practice – the project also includes a 172-step exercise staircase.

Other exciting new parks projects include a second bike park in the Haskell Canyon Open Space, enhancements at David March Park, expanding Canyon Country Park and a new park at Via Princessa is in the planning phase.

It is now easier than ever to enjoy City parks thanks to new signage that highlights the features and amenities at each location.

Simply find the parks sign with our favorite horse, Sammy Clarita on it, scan the QR code and find out more information about the park on our City website. You can search by amenity, like dog park, picnic area, lighted ball field and more at [santa-clarita.com/Parks](https://santa-clarita.com/Parks)

to find your new favorite park.

Whether your child is looking for a playground just right for sliding and climbing, or you're looking for a new walking path or to shoot some hoops – Santa Clarita Parks have so much to offer. Spend some time this spring season exploring our 36 parks.

## ON THE COVER

Slide, swing, spin and shoot some hoops at the City's newest inclusive play area at West Creek Park. This expanded play area allows people of all abilities to play, socialize and be active. For more information please see pages 6-7.

## A Message from the City Manager

Welcome to the Spring 2023 edition of Seasons magazine. You each may be reading these pages for different reasons. Some of you may be looking to sign your child up for a sports league, or maybe you are searching for a new hobby or class to enjoy, maybe you want to learn more about what the City of Santa Clarita has to offer residents or maybe you want to find out what world-class events are coming up in the next couple months. Whatever your motivation, Seasons has just what you're looking for.

Make sure to check out pages 8 and 9 for a look at the progress that has been made on Santa Clarita 2025, our strategic plan which provides a roadmap for projects and initiatives. You can find out everything from what new classes and programs the City offered over the past year, to what upgrades have been done at our parks, to how many miles of roads were maintained in 2022.

After several years of hiatus, the Santa Clarita Cowboy Festival is back the weekend of April 22. This year's event is going to offer all of your favorite elements of the Festival, including toe-tapping musical performances, western-themed activities, delicious treats (Cowboy Cobbler) and much more. You can read all about it on pages 10-11.

Spring is the perfect season to discover a new hobby or learn a new skill. Some of the classes offered within this edition of Seasons include digital photography, hip-hop dance, meditation, spice blending, pickleball and so much more. You can also sign your kids up for youth sports including summer basketball and Kidz Zone. Turn to pages 66 and 67 to learn more.

Looking for the ideal summer job? Tryout to be a lifeguard at one of the City's eight pools. You can read more about this opportunity on page 50.

Spring is also the time to go green with Green Santa Clarita. Check out the Green Guide insert.

Here you will find tips to conserve water, learn how to recycle right and much more.

Thanks for taking the time to explore

all your City has to offer –  
enjoy the spring season!

Did you know there are more than 400 full-time City of Santa Clarita employees who work in 20 divisions in eight different departments? They each have a very specific job that provides a resource, program, service or project that benefits you – our residents! Our employees are accessible and ready to help you. Make sure to follow the City of Santa Clarita on social media to meet your friends at City Hall.

Keeping our City clean and green is a major priority. Employees with Green Santa Clarita help spread the word about the importance of recycling, preventing stormwater pollution, improving air quality, preventing illegal dumping and much more. If you have questions about how to recycle old paint or electronics, best ways to manage ants, how to participate in community clean-up events and where you can charge your electric car – they are here to help. You can visit them at **GreenSantaClarita.com**, call **(661) 286-4098** or email **environment@santa-clarita.com**.

## Meet Laura Jardine Administrative Analyst – Environmental Services

### What do you like most about your job?

Oh, there are so many things I like about my job so it is really hard to narrow it down, but if I had to say my favorite thing, it is the people I get to work with every day. The Environmental Services team is such a hardworking, dedicated and passionate group of professionals that inspire me to be my best every day. Each and every individual is an expert in their field and applies their knowledge, experience and expertise to the job, day in and day out, to make Santa Clarita an outstanding place to call home.

### How does the work you do impact the community?

The work I do in Environmental Services is so rewarding because I get to build programs, events and outreach campaigns that encourage sustainable living now and into the future. Whether it's talking about recycling to a group of elementary school students or encouraging residents and businesses to participate in Rideshare Week or Bike to Work Week - the impact to the community is people making small, sustainable changes that improve the quality of life, not only for them but for the entire community. Every little change we can encourage residents and businesses to make in properly managing their waste, improving air quality or minimizing pollution, creates a large and lasting effect.

### What is your favorite spot in Santa Clarita?

Honestly, any and all of the locally-owned eateries! My family has always loved to eat out, and Santa Clarita has several great spots to enjoy. Whether it's breakfast at Egg Plantation or Eggs N' Things, lunch at Gyromania or dinner at Wolf Creek, Rose and Crown or Backwoods Inn, the variety and quality of family-owned restaurants in Santa Clarita make it a great place to enjoy food while spending quality time with family.

**A new land of adventure awaits explorers of all ages at West Creek Park!**  
**The brand-new West Creek Park Inclusive Play Area is now open and offers a wide range of play elements for all abilities.**

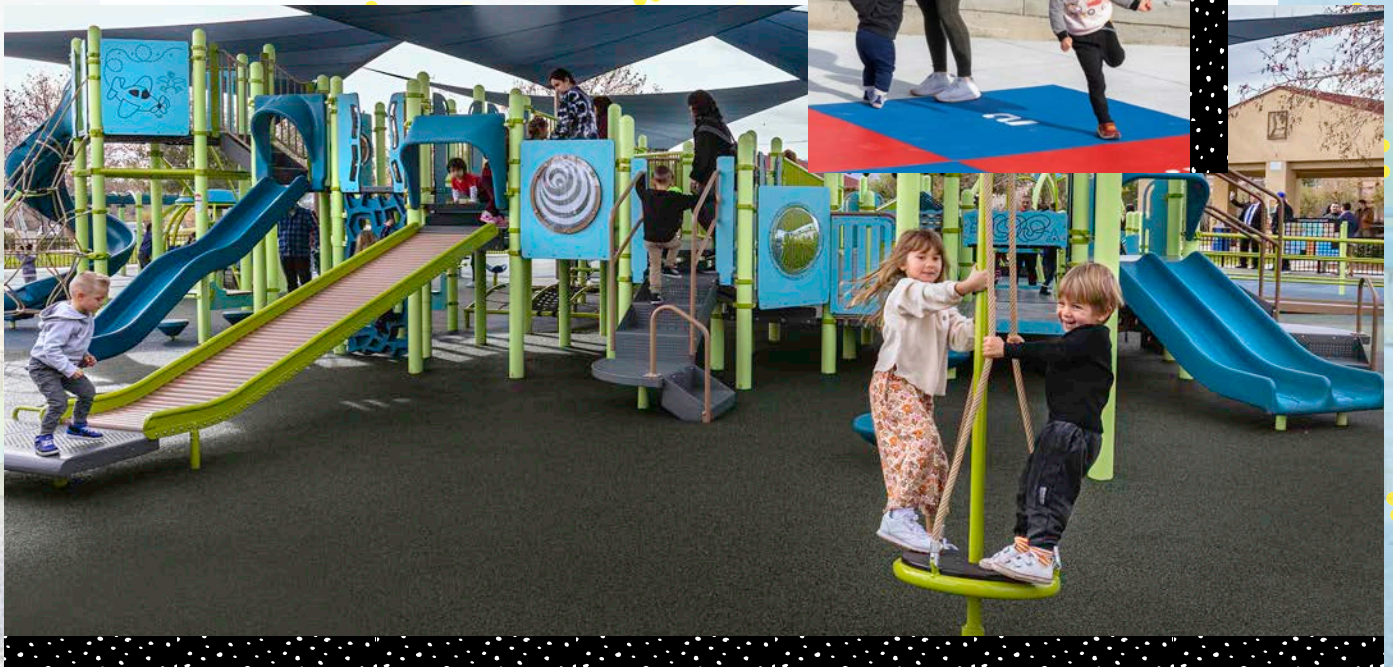

**Visit the new West Creek Park Inclusive Play Area at 24247 Village Circle Drive in Valencia.**

**Help your child along the dual-track inclusive zipline and watch their face light up as they discover sensory stations that appeal to sight, hearing and touch.** You can also help them make their first basket on the Bankshot

Playcourt, which offers basketball hoops at varying heights with non-conventional, angled backboards. With so much to do for everyone in the family, your kid may have to tell YOU when it's time to go home!

# State of the City 2025 Strategic Plan

The City is looking back at all of the accomplishments which were achieved during year two of the Santa Clarita 2025 (SC 2025) Strategic Plan. The plan is divided into **seven themes** that best synthesize our organization's essential work areas.

Softball, Bingo and Pokeno for teens and seniors, Adaptive Aquatics Swim Lessons, the new "I Can Craft" program for adults with special needs, the Pop-Up & Play summer series and 54 new contract classes.

To increase **Community Engagement**, the City launched the "Celebrate" cultural series at the Canyon Country Community Center. The six events took place each month from April to September, showcasing cultures, customs and culinary wonders from the Polynesian Islands, our Sister Cities in Ecuador and the Philippines, India, Greece, the Caribbean and Mexico. Santa Clarita also held the first "Free to Be Me" festival to celebrate our differently-abled residents and their families with inclusive and adaptive activities.

For the theme of **Sustaining Public Infrastructure**, the City maintained and rehabilitated a total of 90-lane miles of road as part of the 2021-22 Annual Overlay and Slurry Seal project. Our parks also got some upkeep as we resurfaced the basketball courts at Fair Oaks Park and Valencia Summit Park, replaced playground surfacing at Newhall Park, completed extensive renovations to the Plum Canyon Park ballfield, improved the park entrance and created a new picnic area at Creekview Park and improved the T-ball field at Bridgeport Park.

Under the theme of **Enhancing Economic Vitality**, the City attracted large-scale events such as Spartan's L.A. Sprint Weekend and Boots and Brews featuring Brad Paisley, to promote tourism and increase economic benefit to Santa Clarita and local businesses.

Santa Clarita remains a beautiful place to live, work and play thanks to the theme of **Community Beautification and Sustainability**. Under this theme, the City hosted the first ever Graffiti Removal Day with volunteers completing a large-scale beautification project in the Saugus community. To help residents get around in a clean, green way – the City purchased two new Compressed Natural Gas (CNG) powered commuter buses and four new CNG powered local transit buses.

Under the theme of **Organizational Excellence**, the City adopted an on-time and balanced Fiscal Year 2022-23 budget, inclusive of a 20-percent operating reserve.

Santa Clarita is regularly ranked as one of the safest cities in the nation thanks to the work under our theme of **Public Safety**. The Santa Clarita Valley Sheriff's Department and the City work hand in hand to educate the community about crime prevention and also conduct data-driven strategic operations, including operations related to grand theft auto and theft of catalytic converters.

These are just a few highlights of what has been accomplished thus far in the Santa Clarita 2025 Strategic Plan. To see a full list of action items, please visit [santa-clarita.com/residents/santa-clarita-2025](https://santa-clarita.com/residents/santa-clarita-2025).

## THE WEEKEND OF APRIL 22

### FREE GENERAL ADMISSION

### 27 YEARS AND COUNTING!

The Santa Clarita Cowboy Festival is Los Angeles County's premier western music festival. Surrounded by historic charm and nestled in the picturesque Santa Clarita Valley, the Santa Clarita Cowboy Festival offers a unique festival atmosphere with over 20 performances of live music, western swing dancing, vintage vendors and western festivities.

### CELEBRATING SANTA CLARITA'S WESTERN HERITAGE

From the days of the gold rush to Western movies, Santa Clarita's historic sites hold a key place in the history of California. Unlock these moments at the Santa Clarita Cowboy Festival for a fascinating glimpse into what life was like in the Old West, with event favorites including hatchet throwing, panning for gold and Dutch oven peach cobbler. Stroll through a western-town environment and browse vintage boots, hats, leather goods, jewelry and western fashion while dining on cowboy grub with all the fixin's.

### THE OLD WEST WITH A MODERN TWIST

Enjoy a unique blend of cowboy, folk and bluegrass music, plus entertainment that includes western swing and country line dancing, trick ropers, living history and activities for all ages!

**March 3, 2023 through May 5, 2023**

In conjunction with the Santa Clarita Public Library program, One Story One City, the featured artists in this exhibit have submitted or created work based on this year's chosen book, "Remarkably Bright Creatures: A Novel" by author Shelby Van Pelt.

## Seeking Youth Artists!

The City of Santa Clarita Arts program is excited to announce its Youth Artist Spotlight. Starting in September, Santa Clarita Arts will devote the Santa Clarita Public Library Canyon Country Jo Anne Darcy Branch to youth artist exhibitions. Parents are encouraged to share their children's creative imagination with the community. A simple application can be found at [SantaClaritaArts.com](https://SantaClaritaArts.com)

## Santa Clarita Valley Historical Society

Santa Clarita Public Library Old Town Newhall

**February 24, 2023 through May 26, 2023**

The Santa Clarita Valley Historical Society is dedicated to preserving the heritage of the Santa Clarita Valley. This organization's mission is to stimulate public interest, collect and preserve and advocate for historical preservation. SCV Historical Society has graciously loaned various artifacts and documents from their collection to be on display at Old Town Newhall Library from February 2023 through May 2023.

## Live Theatre Continues at The MAIN

### MARCH 1984

*Presented by Front Row Center*

Based on the novel by George Orwell, 1984 tells the story of Winston Smith, a cog in the giant machine state of Oceania.

### APRIL AMATEURS

*Presented by Outpost Media Productions*

Following the opening night of the Timberly Troupers' musical about undertakers, Dorothy and her slightly

daft husband, Charlie, host a gathering of actors and friends.

### MAY UNCLE RUFUS (A MYSTERY COMEDY)

*Presented by the Dumas-Stenson Thespians*

Seventy-two-year-old Rufus Braggs has buried three wives and is about to marry his fourth wife. His younger

family members vehemently object.

### MAY THE EXPLORERS CLUB

*Presented by Olive Branch Theatricals*

London, 1879, and the prestigious Explorers Club is in crisis: their acting president wants to admit a woman!

True, she is brilliant, beautiful and has discovered a legendary Lost City, but the decision to let in a woman could shake the very foundation of the British Empire!

We all know that teens love to text, but did you know there are hidden messages that can be sent using only emojis? When certain emojis are grouped together, they have hidden meanings and are being used as a communication tool by teens to find drugs or link up with a drug dealer.

Just like you learned how to decode texting, (IMO)= in my opinion, (LOL)= laugh out loud, (IDK)= I don't know, it is important that you learn the emoji drug codes that are being used in text and on social media to solicit illegal substances. Below are some examples of emoji drug codes:

*Scan the QR code to learn about emoji drug codes and what street names are being used for drugs.*

# HEADS UP!

## DISCONNECT FROM DISTRACTIONS.

Taking a few extra moments to ensure you are safe when driving a vehicle can mean the difference between a normal day and one with life-changing consequences. In the City of Santa Clarita, traffic safety continues to be of utmost importance to ensure our roads and trails are safe for all users – drivers, pedestrians, cyclists and equestrians.

When you **Disconnect from Distractions**, Expect People (and Cars) in Crosswalks and commit to See and Be Seen, you take the necessary steps to not only reduce the number of collisions that happen in Santa Clarita but also reduce the severity of injuries that occur. Together, we can make Santa Clarita streets safer for all.

**Disconnecting from Distractions** can be difficult, especially when scrambling to get your kids to their activities on time. However, distracted driving diverts your attention and slows your reaction time behind the wheel. According to the AAA Foundation for Traffic Safety's annual Culture Index, more than 95 percent of respondents surveyed view reading or typing a message on a cell phone while driving to be dangerous. With that statistic in mind, it is alarming to find that nearly a quarter of respondents also say they've driven while typing or sending a text or email at least once in the past 30 days and more than a third say they drive while talking or reading on a handheld cell phone.

Pedestrians who are distracted by their phones or listening to music reduce their ability to see and hear approaching traffic and emergency vehicles. They may also fail to properly check that crosswalks are clear before crossing the street.

Speaking of crosswalks, it is always best to assume that someone – a pedestrian, cyclist or vehicle – will be at every crosswalk you encounter. By expecting others at intersections, you give yourself ample time to react and greatly reduce the likelihood of being involved in a collision.

Another traffic safety tip that can help save lives is to See and Be Seen. When you are out riding your bicycle, walking with your family to the local park or driving home from work at the end of the day, you want to make sure that others on the road can see you – and that you can see them. Make sure your headlights are working properly, wear high-visibility clothing if you are a cyclist or pedestrian and make predictable movements so that your intentions are clear.

**YOU CAN REVIEW THESE AND OTHER TRAFFIC SAFETY TIPS BY VISITING THE CITY OF SANTA CLARITA'S WEBSITE AT [SANTA-CLARITA.COM/HEADSUP](http://SANTA-CLARITA.COM/HEADSUP).**

## Welcome to Plum Canyon Park!

On June 18, 2020, the City of Santa Clarita celebrated the opening of its 35th park.

Located on Skyline Ranch Road north of Plum Canyon Road, the 7.4-acre site features a ball diamond with lights, a full court outdoor basketball court, BBQs, a child play area, three fitness zones, picnic tables, public restrooms and a temporary public art piece. There is also a trailhead that connects the park to area trails.

With the addition of Vista Canyon Park, which was dedicated in March 2022, there are now 36 parks in the City of Santa Clarita. Please visit pages 76 and 77 for a list of all City park sites and their amenities.

**"STEEL BREEZE"** BY SCULPTOR DEV HARLAN IS BASED ON A TWENTY-SIDED POLYHEDRON. THIS TEMPORARY PUBLIC ART INSTALLATION WILL BE ON DISPLAY IN PLUM CANYON PARK UNTIL 2024 AS PART OF THE ONGOING TRAILHEAD PROJECT.

### KIDZ LOVE SOCCER

Kidz Love Soccer has a team of trained instructors that love teaching and bring a lot of energy and enthusiasm to the soccer field. Using our field-tested and age-appropriate proprietary curriculum, our youth classes teach kids all the fundamentals of soccer in a high-energy, non-competitive program designed to encourage good sportsmanship and a love for sports.

**THE CITY OF  
SANTA CLARITA  
CELEBRATES THE  
IMPACT OF OUR  
VOLUNTEERS IN  
THE COMMUNITY  
IN 2022!**

**VOLUNTEER IMPACT:**

- Contributed to the success of various events, including Party on the Pointe, Eggstravaganza, Light Up Main Street, Zombie Run, Halloween Fiesta and Haunted House, Thanksgiving community dinners, Dia de los Libros and Family Literacy Festival, among others
- Made the City of Santa Clarita the first agency to have completed its section of the new Crest-to-Coast Trail and provided a crucial connection to dozens of trails in SCV
- Removed 11,320 pounds of trash from the Santa Clara River during River Rally
- Built over five miles of new trails, maintained over 25 miles of trails at various Open Space properties, and built the new Roving Archery Range
- Coached and mentored over 2,200 youth participants in 220 Youth Sports teams, and allowed leagues to grow and accommodate more participants
- Developed new routes and landings for three new ladder-drop features at the Trek Bike Park of Santa Clarita and assisted with track repair of the BMX and pump tracks
- Added new mileage to Gates Trail and Romo Trail, and helped create the new Rattlesnake Run and Heritage Bypass Trail
- Installed two Little Free Libraries in Needham Ranch and Newhall Pass Open Space
- Repainted nearly 527 feet of a concrete wall during Graffiti Removal Day
- Cleaned up a Newhall neighborhood by painting, picking up trash and spreading mulch during the Preserving Newhall Community Day
- Assisted 50+ students everyday with Homework Help at the Newhall Community Center
- Cleaned up Newhall Park and East Walker Ranch as part of One Story One City
